

County Engineers' Association of Maryland Scholarship Program 2011-12

In the fall of 2011, CEAM will award scholarships to further the education and careers of Members, Associate Members, Member County's staff and Associate Members Company's staff. Scholarships or grants ranging from \$1,500 to \$3,000 will be awarded in the following areas:

- 1. Civil Engineering undergraduate scholarships for members and associate members with junior or senior level standing**
- 2. Civil Engineering graduate scholarships for members and associate members**
- 3. Member County and Associate Member Companies educational training scholarships for Leadership and Professional Development education to enrich staff and address succession planning**
- 4. Member County training grants to develop, fund and provide training for all CEAM members, County staff and Associate Company staff.**

The award of scholarships will occur after a review by the Scholarship Committee of candidate qualifications, public agency or company sponsorship and required application information submitted by the applicant. If you have any questions or comments on this program, please contact Dale Coppage, Scholarship Committee Chair at dale@ebaengineering.com

Please complete the appropriate Scholarship Application Form and include the required information for evaluation. Complete the form applicable to your situation. Scholarships will be awarded for the Fall 2011- Spring 2012 time frame. Payment of the scholarship award will occur upon completion of the course and submission of an official transcript showing a grade of C or better in the course. The member County training grants will be evaluated based on the merit of the training proposed and number of trainees that will be accommodated. Member County training grants may be paid in advance.
