

County Engineers' Association of Maryland Announcement

CEAM Scholarship Program 2011-12

The CEAM Board of Directors has approved a new scholarship program to assist members of the organization in furthering their education and careers in Civil Engineering and Public Works and Transportation. Members, Associate Members, Member Counties and Associate Member Companies, of CEAM are invited to apply for educational scholarships in the following categories:

- 1. Civil Engineering undergraduate scholarships for members and associate members with junior or senior level standing**
- 2. Civil Engineering graduate scholarships for members and associate members**
- 3. Member County and Associate Member Companies educational training scholarships for Leadership and Professional Development education to enrich staff and address succession planning**
- 4. Member County training grants to develop, fund and provide training for CEAM members and County staff**

The submission requirements and selection criteria for each scholarship will be posted on the CEAM website this summer along with application forms. The award of scholarships and grants will occur after a review of candidate qualifications, public agency or company sponsorship and merit of the training programs competing for grants. The committee anticipates awarding 20 scholarships/grants of approximately \$1,500 to \$3,000 each. If you have any questions or comments on this new program, please contact Dale Coppage, Scholarship Committee Chair at dale@ebaengineering.com Member input is crucial to the success of these programs that are supported by all CEAM members.
